

The Schedule below tracks the cost for a 32 gallon can in the Almonte service area. The Almonte board approved a 10.21% rate increase at the 7/25/2011 meeting which includes providing Almonte residents the ability to participate in the Food Scrap Recycling program by providing weekly green can pickup. More information about Green Can Composting/Food Scrap Recycling can be found on the Mill Valley Refuse Service website (here) <http://www.millvalleyrefuse.com/greencanservice.htm>
